# Next Steps

1. Select one or more texts you plan to use with your class. Track your thinking while you read.
2. Choose one text and plan a read-aloud. Find three places to incorporate Think-Turn-Talk and mark them in the text.
3. Using your green planning card, plan and teach lessons which use Think-Turn-Talk.

## **Reflections:**

- What benefits do you see from using this routine with your students?
- How can you incorporate use of this routine throughout the day?
- In what other content areas will you use Think-Turn-Talk?
